

## You're on the Free plan

- ✓ Free for up to 10 users
- ✓ Unlimited projects and boards
- ✓ Upgrade anytime in **Manage Subscriptions**

By clicking below, you agree to the Atlassian [Cloud Terms of Service](#) and [Privacy Policy](#).

Set up free plan on jira.

## Select a template for your first project

If you're not sure what to choose, don't worry. You can quickly create a new project if this one's not right for you.

**KANBAN**  
A simple board to visualize your workflow

A flexible and efficient way to manage agile work, with a board and timeline.

POPULAR

**SCRUM**  
Deliver work in short, repeatable time blocks

Plan, prioritize, and schedule work using agile sprints with a backlog, board and timeline.

**BUSINESS**  
Collaboration for business teams

Designed to help your business team collaborate and connect, with list and calendar views, forms, and more.

**View your work in a list**

Manage and sort all your project's work into a single list that can be easily scanned and sorted by category.

Create issue

### Quickstart

- Sort and prioritize with ease

Like a super-powered spreadsheet, the list helps you break down work efficiently, and sort by any field.

Guide me

- View progress at a glance
- Stay on top of deadlines
- Visualize timeframes
- Centralize your docs
- Streamline work requests
- Invite your team

Set up board with NIST Cybersecurity Framework tasks.

This board visualizes the implementation of the NIST Cybersecurity Framework through actionable tasks mapped to each of the five core functions. It serves as a reference model for SOC workflows, compliance tracking, and response preparedness in enterprise environments.
